1	10	5%

Lab plans to bring students and teachers back to campus for a hybrid teaching and learning environment in November. We will be sending out more detailed information about our hybrid plan next week. However, it will be helpful to us to have a sense of your family’s intention at this time. Please indicate your family’s intention regarding your student’s participation in an on-campus hybrid experience:

197 Responses- 5 Empty

Data	Response	%
My student WILL participate in in-person classes on campus.	175	89%
My student WILL NOT participate in in-person classes on campus; our ...	22	11%
